PARIS, BOURBON COUNTY, KENTUCKY, FRIDAY, MARCH 14, 1919

COUNCIL PROCEEDINGS

There was a more harmonious and business-like meeting than usual, of the Council in the Council Chamber in the City Hall last night, Mayor January presiding, with a full membership present. The minutes of the two preceding special meetings were read and adopted.

The Improvement Committee was authorized to purchase needed parts for the steam drill used at the city rock quarry.

V. D. McGoldrick, who is at present in Danville, was elected to succeed Ullman Lancaster as Chief of the Fire Department, by a vote which at first was a tie, Councilman Veatch declining to vote, requiring the vote of Mayor January to decide. Those voting nay were Councilmen Arkle, Merringer and Christman, the ayes being Councilmen Doyle, Kiser and Nichols. Paul Brannon and J. F. Napier were elected as firemen to succeed the late incumbents, James Bokenbrodt and Ed. Myers.

Retiring Fire Chief Lancaster addressed the Council, stating that he would assist the firemen until his successor arrived, and that he would instruct the men and answer calls for fires. He also recommended that dry batteries be purchased for the fire wagon, stating that the life of batteries were something like eighteen months, and that the present ones had been in use for over two years.

Councilman Merringer, in a neat address, complimented the work of the retiring firemen and commended the spirit that prompted Mr. Lancaster in offering his services to the city as a hold-over official until his successor took hold. He stated that the men had been faithful in doing the duty required of them, and that they had done extra service which had saved the city considerable expense. By a unanimous vote the Council endorsed Mr. Merringer's address, which was made a record of Council proceedings.

Councilman Veatch called attention to the fact that rock from the city rock quarry was being sold when they were needed for use on the city streets—to which ever citizen in Paris will agree that they are badly needed. Mr. George W. Stuart addressed the Council on the matter, and stated that most of the rock sold, or at least which his firm was buying, was being used to build pavements which tended to beautify and improve the city. It was finally decided that no more rock should be sold except upon the order of the Mayor or at least one member of the Improvement Committee. The price was ordered raised from \$1.50 to \$2.00 per load.

Councilman George Doyle reported a request from the Massie Memorial Hospital for a donation for use of the institution. The Council after mature deliberation decided to make a donation of \$500 to the hospital.

Several building permits were granted and bills allowed.

BOURBON CIRCUIT COURT

Petit juries were empaneled sworn in and excused until Wednesday morning, after the March term of the Bourbon Circuit Court reconvened Tuesday morning.

The case of Oscar Johnson, under death sentence for killing Walter Rice in this city, was taken up by the Court, on a motion pending for a new trial. Witnesses on both sides were heard by the Court and the case was passed until Tuesday, March 18, when other testimony and arguments will be heard and the case finally submitted. The case of John Henry Harp, charged with the killing of Oscar Willoughby, near Old Union, was assigned for a hearing on the same day.

After finding true bills in but seven cases, the grand jury, which had been empaneled and sworn in on Monday, made its final report Wednesday afternoon. This is said to have been the shortest session ever held by a grand jury in the Bourbon Circuit Court.

The equity docket was called by Judge Stout when Court reconvened. After the motion hour the petit juries were excused until next Tuesday morning. The civil actions of Chas. S. Brent & Bro. vs. Western Union Telegraph Co. and Edsel Clark vs. Julian Rogers, were assigned for trial for March 20. The case of Clarke & Young vs. S. L. Lapsley was set for trial March 25. Court was then adjourned until Thursday morning.

REPORT OF HENRY SALE.

Auctioneer George D. Speakes conducted the public sale of livestock, crop, etc., belonging to Mr. Emmett Henry, on the premises near Black's Cross Roads, Tuesday. Horses sold from \$100 to \$200 per head; a pair of mules brought \$385; sows with pigs by their sides brought from \$53 to \$85; shoats, \$10 per head; chickens, \$1.35 each; loose hay, \$23 per ton. Mr. Henry has purchased a home at the corner of Seventh and Ferguson streets and will move to Paris to reside.

IN THE SERVICE OF THEIR COUNTRY.

Private S. O. Buchanan has returned to Camp Dix, in New Jersey, after a week's visit to his father, Mr. Wm. Buchanan, near Clintonville.

The Barrow Base Hospital Unit No. 40, of which several Paris boys and nurses are members, sailed from England Tuesday for New York. The Unit will come to Camp Zachary Taylor, for final discharge.

Mr. and Mrs. Frank M. Clay received a message Wednesday from their son, Private Douglas M. Clay, stating he had arrived at Camp Sherman, near Chillicothe, O., where he would remain until mustered out of the service, and would then return to Paris. Private Clay recently arrived in New York from overseas duty with the Barrow Base Hospital Unit No. 40 at Salisbury Court, near Hants, England. "Doug" says all the Unit will soon be home again.

Mrs. Oscar T. Hinton, of Paris, was saddened recently by the appearance of her brother, Mr. Revell H. Whitridge, who has been on the battlefield in France for several months. Sometime ago THE NEWS published a letter from Lucien Arnsparger, of Paris, in the Army Ambulance Corps, in which he gave details of bringing Mr. Whitridge from the battlefield to the Army Hospital, where his corps was stationed. Whitridge was wounded twice, gassed, and was suffering from "shell-shock." He will recuperate in and around Paris, and when fully recovered will resume his old position with a Cincinnati wholesale house.

Here's a characteristic letter from former "Empire" J. Monroe Sweeney, of Paris, now Ensign J. Monroe Sweeney, of the United States Navy, stationed on the flagship, "Pennsylvania," in Cuban waters. Monroe, he says, writing under date of March 6, from Guantanamo, Bay, Cuba:

"Dear NEWS: I have only received a few copies of THE NEWS since I have been down here, and certainly do miss the good old paper. Please change my address to the one given previously. We are being used down here as 'spotters' with the fleet, and like it alright, but must admit it seems more like home, the atmosphere along the east coast, than in Florida. It continues hot here and getting hotter. The thermometer here registers about ninety degrees every day. Last week we were on a cruise in the Caribbean Sea and thereabouts, maneuvering, torpedo drill, defense drill, destroyer attacks and sub attacks. This week is target practice, and next week we get to stay in port all the week, it being 'athletic week.' I am very sorry they don't devote more time to athletics.

"The Pennsylvania is leading in the baseball series, as she has not lost a game, and the prospects are good for her winning the championship. Rabbit Marlinville and Ted Sloan are members of the team. Tennis and swimming are also indulged in. My stock in swimming fell considerably the other day when the boys from the Arizona caught a shark, but so far the sharks have not made any raids on the swimmers. I guess its best not to be present when one of those raids should be made. The natives here are strong for chicken fights. The galloping African dominoes have also found their way to Cuba, and they constitute one of the favorite pastimes. I would like to get a chance to go up to Havana, but don't see much chance, as it is six hundred miles northwest of here. We could at least find some Americans there, and from all descriptions it must be a much nicer place than this end of the island. We hope to get back in the States the latter part of April, and it will be the grand and glorious feeling when we get behind the Statue of Liberty in New York harbor. If you hear of anyone coming down this way tell them not to fail to pay a visit to Havana. Many tourists there from all parts of the world, including Kentucky.

"With assurances of my highest esteem, and with the best of good wishes to all the force, I hope to remain.

"Very Sincerely, "PLUNK.

"Ensign J. Monroe Sweeney, "U. S. S. Pennsylvania, "Care Postmaster, N. Y."

FORMER PARIS MAN WOUNDED BY "BUG."

Capt. John Seamount, who was for many years a popular passenger conductor on this division of the Louisville & Nashville, was shot and wounded recently at Tucson, Arizona, by a demented man, who was shot and killed by the police.

Capt. Seamount was for many years a resident of Paris, making his home with Mr. and Mrs. Samuel Ewalt. He was in charge of a passenger train on the Southern Pacific road, and attempting to quiet the "bug" who shot him. His wound is not serious, and physicians say he will recover soon.

BANQUET AT THE CHRISTIAN BOURBON OIL EXCHANGE TO CHURCH TO-NIGHT.

"On with the feast, let joy be unconfined," will be the motto at the Christian church to-night, when hundreds of members and friends of the church will gather in the church parlors to partake of the abundance of good things to be spread before them. The occasion will be the banquet to be given by the Adult Department of the Sunday School, composed of the Men's Bible Class, the Women's Bible Class, Mrs. T. M. Funk's Bible Class, the class of young men under the tutelage of Mr. D. D. Cline, and Mr. A. L. Boatright's class of young men and women.

This banquet has been an established feature of the church for many years and with its annual recurrence there comes a feeling of good cheer, comradeship and fellowship that sends a fellow's spirits right up to the melting point and he couldn't be a grouch, if he tried ever so hard. The tables will be set in the parlors of the church, and good cheer will reign in abundance. A good time is assured all who attend, and all who attend will be sure to have a good time, if they even only half try. A cordial and hearty welcome will be extended, and if anyone "among those present" fails to have a good time, it will be because of bad digestion, or poor molars. Get ready, all ye!

The following invitation explains the "aims and objects" of the banquet, which will no doubt, be one of the most successful of the many similar events given in the church:

"The Adult Department of the Paris Christian Church Sunday School, composed of the Men's Class, the Women's Class, Mrs. Funk's Class of Young Ladies, and Mr. D. D. Cline's Class of Young Men and Mr. Boatright's Class of Young Men and Ladies, will give a banquet in the church parlors, Friday evening at 7:30 o'clock, March 14. All who are now, or ever have been enrolled in any of these classes, are invited and expected to be present on this occasion. Good speakers, plenty to eat. A real good time is assured and it is hoped that all who can possibly attend will do so.

"The following program has been arranged:

"Building Up the Adult Department." Lin D. Cartright, State Bible Superintendent.

"The Social Life of the Class." Dean T. B. McCartney, Transylvania University.

"Winning Men and Women to the Bible Class." Prof. A. W. Fortune, Bible College.

"Toast Master, W. E. Ellis.

"(Bring this program with you.)"

The room in the Kreiner building, recently vacated by the Bourbon Realty Co., and the A. J. Fee Insurance agency, has been leased by Mr. John M. Stuart and associates, and has been fitted up as an oil exchange for the purpose of trading in Kentucky oil stocks. The rooms will open for business to-morrow, Saturday, March 15th.

Large blackboards have been installed for the listing of the various oil stocks in which the Exchange proposes to deal. Mr. Emmett Redmon, for several years connected with a prominent brokerage firm in the Phoenix Hotel, at Lexington, has been engaged as caller, and will be on hand at each session for the purpose of announcing the puts and calls in the trading circles. The sessions will all be open call, and will be held Wednesday and Saturday evenings at 7:30 p. m.

The Exchange will be under the direct supervision and management of Mr. John M. Stuart, of Paris, who has been one of the prime movers in the promotion of the project, and whose hustling qualities and well-known salesmanship and acquaintance with oil stocks will bring his clientele an assurance of honorable and fair business treatment. The stocks of all the most prominent Kentucky oil companies will be found on the board at the new Exchange, and it goes without saying that the new concern will start business with a good patronage.

THE NEWS wishes the new firm much success.

OHIO NOW IN GRIP OF THIRD FLU EPIDEMIC.

Ohio is in the third grip of influenza, Health Commissioner A. W. Freeman has recently so declared. A strange feature about it, he said, is the severity of the attacks. While not so nearly so virulent as in the October epidemic, the cases are more severe than in December, he said.

The death rate is higher per number of cases than in December, he said, although the number of cases are fewer. Persons attacked, therefore, should take caution against pneumonia, Dr. Freeman urges.

Dr. Freeman believes this may be the last recrudescence of the disease until next fall. Continued warm weather, he predicts, practically will wipe out the epidemic.

BASKET BALL TOURNAMENT

On March 14 and 15 Paris is to have the unique distinction of entertaining the first girls' basket ball tournament in Kentucky. The primary motive actuating the efforts of those who have arranged the tournament has been to raise the standards of girls athletics. Too long have they been given a secondary place and their games treated as preliminary events.

It is significant that Paris should take the lead in this matter when we consider the splendid record her girls' team has made this year. The regular schedule closed Friday night when the local quintette defeated Lexington High by a score of twenty-four to twenty-two. And this was but an echo from the other games, for the Paris High girls were beaten only once this season, and that was by Maysville on their floor. And what do all of these victories mean? They mean that our own P. H. S. holds the girls' championship for Central Kentucky.

Invitations to the tournament have been sent to about ten teams and the following have accepted: Lexington High, Winchester High, Clark County High and Georgetown High. They will assemble Friday morning and the games will begin at two o'clock that afternoon. The number of events will depend on how many teams come, but the final contest will take place Saturday night. Suitable trophies will be awarded the victors.

This will be an epoch-making event in the history of athletics for high school girls and the promoters are confidently expecting the support of all the patrons and friends of the school and the sport.

Great interest is being shown in the participants and those who expect to be spectators. Six teams in all will be represented, Maysville being the last to accept the invitation. The first games will begin at three o'clock Friday, but the visitors will reach our city in the morning. The teams will draw for places and opponents after they get here and the final games will be between the two teams who have not been defeated in the games on Friday and Saturday afternoon.

Every effort is being put forth to make this event a success. It is the initial step in what will prove of great benefit to girls' athletics, especially in high schools—that is a closer co-operation of officials and team members. It will mean the standardizing of rules of play, and the setting of a higher value on good, clean sport.

(Contributed)

On the Lexington High School gym floor last Friday night the two leading teams of Kentucky met to win or lose the Girls Championship.

The game was fast and rough from start to finish. The Lexington girls thought they had won the game when the whistle blew at the end of the first half, when the score stood 14 to 11 in Lexington's favor.

Fight, fight, fight was the cry of the Paris rooters when the whistle blew calling the two teams for the last half of the game.

Ruby Elder, a sure shot, threw five field goals and four foul goals, making a total of 14 points to her credit.

Edith Harper, Irene Alexander and Mamie L. Baldwin kept the Lexington girls on the move, never letting the opponents free for a moment. The last five minutes was intensely interesting, as Lexington would score, Paris would put one over the top. Valette McClintock threw four goals, one in the first half and three in the last half.

Lexington scored twenty-two points, but Paris would not be beaten and the last few seconds Paris made the score 24 by two shots from Capt. McClintock, thereby winning the State Championship of Kentucky.

The Paris High School has held the championship of Girls' Basket Ball teams for eight consecutive years. Some record for Paris!

BOURBON HORSES ENTERED IN HINTA STAKES.

The following Bourbon county horsemen have declared nominations for entries in the big \$2,000 Hinta Stakes, which is to be competed for at the Kentucky Association track meeting on April 26:

Robert C. Frakes—Anna Sweep.

Bay filly by Sweep—Miss Himyar.

J. Hal Woodford—Mamie Kelley, chestnut filly, by Marta Santa—Rose of Pink.

John T. Ireland—Brown filly by Rochester—Sea Mist.

SMALL RAILROAD WRECK DELAYS TRAFFIC.

The engine drawing train No. 40, northbound from Paris to Cincinnati, split a switch Tuesday morning, in the Duncan avenue cut. The engine was derailed, delaying traffic several hours. No one was hurt. Wrecking trains soon cleared the track. The damaged engine was sent to the Paris shops for repairs.

TOBACCO MARKETS

The Bourbon Tobacco Warehouse Company sold yesterday 28,910 pounds of tobacco for \$3,182.98, an average of \$30.40. The market showed more strength yesterday than at any recent sale. Some crop averages follow:

Weatherall & Wilson, 3,315 pounds, average \$48.64.
Cott & Shanks, 1,645 pounds, average \$42.17.
Jesse Scott, 3,800 pounds, average \$30.30.
Burriss & Wasson, 4,890 pounds, average \$31.72.

The Bourbon Tobacco Warehouse Company sold Tuesday 65,205 pounds of tobacco for \$20,021.72, an average of \$30.70. The quality of offering was somewhat above that of Monday. Market unchanged. The following are the crop averages:

Thomas & Bradley sold 3,005 pounds, average \$47.28.
Gay & Hensley sold 10,425 pounds, average \$42.9.
Gillispie & Mason sold 1,830 pounds, average \$37.69.
Lindsey & Grayson sold 2,985 pounds, average \$34.75.
Thurman Hinkle sold 740 pounds, average \$32.38.
Mason & Gillispie sold 3,290 pounds, average \$31.85.
Terrell & Prather sold 3,290 pounds, average \$35.72.

The Bourbon Tobacco Warehouse Company sold at their sale Wednesday a total of 59,530 pounds of tobacco for a money value of \$16,802.82, an average of \$28.22. Some individual crop averages follow:

Burroughs Bros., 1,665 pounds, average \$43.12.

Payne Ewalt, 2,600 pounds, average \$39.82.

Minnie L. Butler, 3,260 pounds, average \$37.41.

Well & Breeze, 3,550 pounds, average \$36.58.

Shropshire & Bays, 1,685 pounds, average \$33.63.

Ritchie & Ritchie, 1,685 pounds, average \$33.06.

R. M. Gilkey, 815 pounds, average \$32.61.

Knox & Kenney, 4,335 pounds, average \$32.37.

Clarke & Dale, 5,505 pounds, average \$31.45.

Leer & Conway, 5,545 pounds, average \$31.19.

Ritchie & Ritchie, 2,280 pounds, average \$31.04.

NOTES FROM THE Y. M. C. A.

A free employment bureau for the benefit of discharged soldiers and sailors has been established by the Bourbon County Y. M. C. A., and already several newly-made civilians have been supplied with positions through its agency.

A soldier or sailor applying for a position reports to Secretary Z. L. Wilcox, or to Assistant Secretary O. L. Davis. These gentlemen ascertain the kind of work the applicant has been doing, and then get in touch with employers who are most likely to have these kind of jobs open.

In addition to this any man in a uniform is given free lodging in the Y. M. C. A. Building until he can find work. Arrangements have also been made with the local ticket agency of the Louisville & Nashville to take care of all soldiers who arrive in Paris after the Y. M. C. A. building has been closed for the evening. A special room in the dormitory has been provided for any soldier who may arrive on the last night train and they will be given free use of it for the night.

Mr. Z. L. Wilcox, secretary of the Y. M. C. A., is teaching the children of the city and county schools the games that are being used in the army for the physical training of Uncle Sam's soldiers. These lessons are proving immensely popular with the children, and will be a means of benefiting them physically. These games were recently demonstrated to the teachers of the schools at a meeting held in the Y. M. C. A.

EXTENSION RULE MADE ON TAX EXEMPTIONS.

An important extension of the exemption provision of the income tax law is contained in a ruling by Commissioner Roper made public. It is that the exemption for wife or children covers the whole year 1918, even if the wife were wed or the child born on the last day of the year.

In making the announcement Julius Smetanka, Collector of Internal Revenue for the Chicago district, explained that while the ruling works a saving for men earning \$2,000 a year who married during 1918, it works against men who have lost their wives in the course of the year, for in the latter case, he said, even if the wife died on December 31, the widower would have to make his return as that of a single man for the entire year. This is equally true where a child dies, he said.

EDITORIAL MUSINGS.

The Passing of The "Rube"

Almost anyone can remember when the boys of the town used to ridicule the boys from the farm, calling them "clod-hoppers," "hayseeds," "rubes" and "country Jakes."

It is rare that we hear such expressions now, isn't it?

The "hayseed" has passed on. In his stead we have a rural business man, a student, a country gentleman.

We who know intimately the farmers around Paris, know a man whose dress is not greatly different from the dress of the average business man or mechanic. This man's son drives his automobile as skillfully as the son of the city banker—and with far better judgment, as a rule. His daughter can dance as well if not as often and as long—as the pampered girl of "society." His wife can belong to clubs—and yet she can cook.

And the man with a "scheme" has learned that the farm district is not the easy thing as in the old days.

Labor on the farm is not the heavy drudgery it used to be, and the boys of the farm, to-day may attend and do attend our best schools and colleges.

The telephone keeps the farmer in daily touch with the markets and his

daily paper informs him of current news the world over.

The vaudeville entertainer who dresses in a slouched straw hat, with hay protruding from the torn crown; with one shoe and one boot on his feet; carries a carpet bag and a large umbrella, and "by Hecks" his way through a monologue of nonsense, lacks much of success in impersonating the agriculturist of our acquaintance. Some of the people of the city may be fooled for they do not know. They may imagine themselves of finer clay. They may know some things the farmer doesn't know, such as where to go to see the best shows or eat the highest priced dinners. Yet they cannot distinguish an oak tree from a swingle tree.

Truly, the day of the "rube" has passed.

"Missing" In Battle.

On the casualty lists of the French army the word "missing" is written opposite the names of 314,000 men. Investigations which have been conducted have resulted in establishing the fact that of this number all hope for approximately 120,000 must be abandoned.

In these times of intensive warfare it is of course possible for a man to be literally "blown to atoms," but a minute examination of No Man's Land, it is hoped, may still yield indications by which it is possible to trace many missing men.

An army of 12,000 searchers will subject all the trenches and dugouts along the whole battle line to a most careful scrutiny for any evidence that may lead to identification. That this is no light task is evident. Nearly 17,000 square miles of ground must be explored. In all cases approaching definite identification, a proper burial certificate will be issued to the families of the fallen. There is talk of cemeteries being laid out on the battlefields to be "plains of silence." Others prefer that the fields should be planted with trees to grow into mighty forests, as an everlasting monument to the dead of the great war.

Supports Family By Canning.

The sale of her canned fruits and vegetables has enabled a woman in Albemarle county, Va., to feed and clothe her eight children the last two years. When war was declared her eldest son enlisted in the Navy. In a few months the second son went into the Army, and the mother was left to wrestle with the problem of providing three meals a day for the eight younger brothers and sisters. About this time the home-demonstration agent of the United States Department of Agriculture and the State Agricultural College was teaching the women in that locality how to can. With a garden which could raise plenty of fruit and vegetables, and with wild fruit to be had for the picking, the mother of ten decided therein lay the solution of her problem. Results have proved that her judgment was right. Thousands of cans of fruit and vegetables have been put up and sold from this country home. One lot the home-demonstration agent helped her sell brought \$125.

Politics and Economics.

Now is a good time to read the story of Government by politics—and you can take it from any newspaper of any party, printed anywhere in the country. Then take home this sentence contained in a recent report to the Merchants' Association of New York on "Government Ownership and Operation of Public Utilities." Here it is: "The cause of inefficient management, and excessive cost when governments undertake economic activities is simple. All the activities of any government are necessarily carried on by political machinery and that machinery is wholly unsuited to the economic field. 'The fields of politics and economics are dissimilar and separate. The field of politics (meaning thereby the art of government) is mainly the regulation of conduct and the protection of rights. The field of economics is the production and utilization of material things. The principles, the methods and the machinery of political administration are wholly different from those of economic activities and not adapted or adaptable to the latter.'"

Why Don't They Get Up in the Morning?

Congress was on the way to repeal the "daylight saving law," when the session blew up in a puff of words. It worked well enough last year, except in the farming communities, where it was almost universally condemned as a "foolish notion." The farmers have protested vigorously to Washington, and the essence of their complaints are: "Why don't they get up in the morning if they want to save an hour of daylight?" Get ready to handspike your clock Sunday, March 30.

BAD TASTE IN YOUR MOUTH.

When you have a bad taste in your mouth you may know your digestion is faulty. A dose of Chamberlain's Tablets will usually correct the disorder. They also will cause a gentle movement of the bowels. You will find this to be one of the best medicines you have ever become acquainted with.

RESOLUTIONS

Passed By City Council On the Death of John T. Hinton.

The following resolutions upon the death of ex-Mayor John T. Hinton offered by the committee consisting of Councilmen Veatch, Nichols and Kiser, were adopted and ordered spread upon the minutes:

"City Hall, Paris, Ky., Feb. 27, 1919. 'John T. Hinton was born in Paris, Bourbon County, Ky., on Jan. 29, 1837 and died at his home in this city on the 30th day of January, 1919, at the age of eighty-two years.

"Mr. Hinton had spent his entire life in the city of Paris. He began his career as an apprentice in the undertaking establishment of George W. Davis, who survives him. When quite a young man he embarked in the furniture and undertaking business for himself, in which he continued until a short time prior to his death. By his strict business integrity, energy and courage he soon built up a lucrative business and amassed quite a fortune, most of which he invested in Paris real estate, and public enterprises in said city.

"He was a firm believer in his own town, and spent a large part of his life in advancing its social, commercial, educational and religious interests. He took the initiative in every movement for the betterment of his home city, and gave of his time and means freely in every undertaking that looked to its advancement.

"He was a member of the board of Council of the city for several terms and held the high office of Mayor for several terms. During his administration many of the public improvements of the city were added and the successful financial condition of the city at the expiration of his term of public office is a lasting monument to his energy, sagacity and good business judgment.

"His diversion was politics, and whether a candidate himself, or espousing the cause of some friend, he was always in the thickest of the fight at every election and wielded a potent influence in the political life of the community.

"He represented Bourbon County in the lower house of the Kentucky legislature for three successive terms, and was several times a delegate from the Seventh congressional district to the national convention of his party; and assisted in the nomination of Grover Cleveland for the presidency in 1892 and Woodrow Wilson at the Baltimore convention.

"He was an earnest and active member of the Christian Church, and he esteemed it one of the crowning events of his long and successful career that largely through his generosity and earnestness the handsome new church edifice, which is now the home of said denomination, was erected.

"As a husband and father, he was kind, affectionate and indulgent, and was held in the highest esteem by the members of his family. As a citizen, he was patriotic, liberal and faithful to his friends, and scrupulously honest in all his business undertakings. As an officer he was painstaking and active, and held to the maxim that 'a public office is a public trust.'

"In his death this community has lost a leader, who was easily one of the foremost and was in a marked degree the architect of his own fortune.

"Therefore, be it resolved, that the Board of Council of the city of Paris in regular session assembled, do hereby extend to his bereaved family the heartfelt sympathies of its members in the hour of their bereavement;

"That these resolutions be spread at large upon the records of this meeting, and engrossed upon a page set apart to the memory of Mr. Hinton;

"That a copy of these resolutions be given to the public press;

"And that the clerk of this board be directed to deliver a copy of same under the seal of the city to the family of the deceased.

"J. J. Veatch, S. K. Nichols, T. J. Kiser, Committee."

RESOLUTIONS ON THE DEATH OF THOS. HENRY CLAY, JR.

At a recent meeting of the Board of Officers of the Paris Christian Church, the following resolutions were passed:

Again we are called upon to mark the passing of one of our very finest young men and most valuable fellow workers. Brother Thomas Henry Clay, Jr. He will be missed from our ranks and his loss will be felt with keenest sorrow because he was one of our most valuable men and faithful workers. He was always at his post of duty when it was possible in every good work of the church for him to be there. His heart was and he was ever ready to give of his means and to give of himself for the good of the church and the glory of the Master.

As a member of this Board of Officers we have found him to be not only one of our most efficient workers but also a wise counsellor ever interested in the welfare of the church and always ready to make sacrifices and to do service for her glory.

We want to express our sincerest sympathy and Christian love to his venerable father and mother and his beloved wife and children, his sister and brothers and assure them that we feel that the loss to us is keenly felt and his place in our ranks will be hard to fill. He was so faithful and generous and true, loyal to the church, devoted to his home, faithful to his friends, never out of humor, always ready for work and ever faithful in the hour of need. The memory of such a life—brief as it was—is an inspiration to us. May the Good Father raise up other young men to fill his place and may his fidelity to the church help us all to be more faithful.

We find it difficult to find words to express the deep sense of loss that we feel or to convey the intensity of our feeling of sympathy to his loved ones. We pray to our Father to comfort them and guide us and make us all more faithful.

R. E. CLENDENIN, Chairman,
W. E. ELLIS,
J. J. VEATCH,
F. P. LOWRY.

AT THE FIRST SIGN OF BILIOUSNESS TAKE A CALOTAB

The New Nauseless Calomel That
Does the Work Without the
Slightest Unpleasant-
ness or Danger of
Salivation.

Ask your doctor and he will tell you that calomel is the best and only sure remedy for a lazy liver, biliousness, indigestion and constipation. Now that all the unpleasant and dangerous qualities have been removed, calomel, in the form of Calotabs, is the easiest and most pleasant of all laxatives to take. One tablet at bedtime with a swallow of water—that's all. No taste, no griping, no nausea, no salts. In the morning you feel simply fine—live, wide-awake, energetic, strong and with a hearty appetite for breakfast. Eat what you please and go about your work—no danger of salivation.

Calotabs are sold only in original sealed packages, price thirty-five cents. Your druggist recommends and guarantees Calotabs by offering to refund the price if you are not delighted with them. (adv)

For Influenza!

For influenza and after effects, use K. U. Tablets. They build up your nerves and stomach; rid the system of all aches, pains and tired feelings. They restore vigor and vim. They are fine for headache and rheumatism. The contents of K. U. Tablets are used by all of the best physicians of the country. Don't be without them in your home. Once tried they are always used. They are put up in 10c and 25c boxes and are for sale by all druggists and groceries.

WANTS TO ESTABLISH AERO- PLANE AGENCY.

A young man now engaged in the motor car business in Paris is on a trade for an aeroplane for his own personal use, and is said to be resolutely considering accepting the local agency for a "popular make of pleasure plane," which he feels sure will be greatly in demand among local "high-flyers" within a few years.

As soon as the young man makes all the proper arrangements he will give a series of demonstrations. His name is necessarily withheld until he gets ready to give publicity to his enterprise. His slogan will be "Going Up!"

THE TEST OF MERIT

Paris People Are Given Convincing Proof.

No better test of any article can be made than the test of time and this is particularly true of a kidney medicine. Doan's Kidney Pills have stood the test and stood it well. What better proof of the merits of this remedy could you demand, than the statement of a Paris resident who used it successfully and tells of lasting results.

Read the following:
Geo. McCandless, Second street, says: "My kidneys were inactive and I had backaches Doan's Kidney Pills put a stop to all the troubles and they gave me complete relief." (Statement given January 17, 1912.)

No Trouble Since.
Over four years later or on November 9, 1916, Mr. McCandless said: "I haven't had any need of a kidney remedy since I last endorsed Doan's Kidney Pills. I consider myself permanently cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. McCandless had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Payment to discharged soldiers of the \$60 bonuses authorized by the last Congress is being delayed by failure of the soldiers to comply with the requirements of the law. War Department distributing officials announced that thousands of soldiers had sent "true copies" of their discharge papers, and that payment of the bonuses would be delayed until the original copies are sent.

In cases where the original certificates have been lost, it was stated, the original order for discharge must be submitted.

TRY THIS FOR SOUR STOMACH.

Eat slowly, masticate your food thoroughly. Eat but little meat and none at all for supper. If you are still troubled with sour stomach take one of Chamberlain's Tablets before going to bed.

SOCIAL AND PERSONAL.

Comings and Goings of Our People Here, There and Elsewhere.

—Mrs. Charles Talley has returned from a visit to relatives in Flemingsburg.

—Mrs. Fannie Adams, of Mt. Vernon, is a guest of her brother, Dr. J. M. Williams, on Sixth street.

—Mrs. Whittington Mann and daughter have returned from a visit to relatives in Mt. Sterling.

—Mrs. Charles Ramsey, of Charleston, West Virginia, is a guest of her sister, Mrs. R. S. Darnaby, near Paris.

—Mrs. Mayme Parrish and Mrs. Gertrude Smoot have returned from a visit to Mrs. Wm. Howard, in Richmond.

—Miss Favola Dundon was a recent guest of Miss Fannie Heller, at Patterson Hall, State University, in Lexington.

—Mr. and Mrs. William Bush have moved from near Paris to their new home on the Lexington pike, in Fayette county.

—Lieut. Robert Crowe has returned to his home in Hamilton, Ohio, after a visit to Mr. Ernest H. Darnaby, in Clintonville.

—Mrs. Wm. O. Hinton is confined to her home on High street as the result of injuries sustained in a fall a few days ago.

—Lieutenant Avonia Kiser, of the United States army, is a guest of his parents, Mr. and Mrs. John Kiser, in this city.

—Mrs. Harry Beasley and children have returned to their home near Irvine, after a visit to Mrs. Wm. Beasley, at Clintonville.

—Mr. and Mrs. Louis Taylor, Messrs. Wm. Taylor, Harry Jones and Fred Burgin have returned from an extended stay in Florida.

—Mr. J. M. Frye has returned to his home in Taylorsville, after spending several days in this city and county on a business mission.

—Mrs. Felix Newman, of Falmouth, and Mrs. J. Moler McVey, of Dayton, Ky., are guests of Mr. and Mrs. Lucien Terrill, near Clintonville.

—Mr. T. Hart Talbott was removed from his home near Paris recently to the Massie Memorial Hospital. Mr. Talbott is suffering from an attack of Bright's disease.

—Miss Sara Power has returned to her school duties at Science Hill, in Shelbyville, after spending several days in this city with her parents, Mr. and Mrs. Henry A. Power.

—Dr. H. M. Hamilton has returned from Muncie, Indiana, where he was called last week by the illness of Mrs. Hamilton. He found Mrs. Hamilton much improved, and probably able to return home soon.

—Mrs. Robert M. Hopkins and son, Robert Hopkins, Jr., will arrive from Covington, to-morrow, for a visit to Mr. and Mrs. Thomas Helm Clay, on Eighth street. Mr. Hopkins is making a tour of the Holy Land, and will be gone about four months.

—Mrs. Jessie Hibler Herrenkohl and little daughter, Ann Croxton, who have been guests of the former's parents, Mr. and Mrs. Harvey Hibler, will leave to-morrow for a visit to Miss Annie Hibler, in Portland, Oregon, after which they will return to their home in Barboursville, West Virginia.

(Other Personals on Page 5)

ONE DOSE RELIEVES A COLD—NO QUININE

"Pape's Cold Compound" Ends Bad Colds or Grippe in a Few Hours.

Relief comes instantly. A dose taken every few hours until three doses are taken will end grippe misery and break up a severe cold either in the head, chest, body or limbs.

It promptly opens up clogged-up nostrils and air passages in the head, stops nasty discharge or nose running, relieves sick headache, dullness, sore throat, sneezing, soreness and stiffness.

Don't stay stuffed up! Quit blowing and snuffling! Ease your throbbing head! Nothing else in the world gives such prompt relief as "Pape's Cold Compound," which costs only a few cents at any drug store. It acts without assistance, tastes nice, and causes no inconvenience. Be sure you get the genuine.

Women Soldiers in China.

China had women soldiers long before they were known in Russia. During the Tae Ping rebellion, 1850, women as well as men served in the ranks. In Nanking, in 1853, an army of 500,000 women was recruited. They were divided into brigades of 13,000 each and were commanded by women officers.

There is more Catarrh in this section of the country than all other diseases put together, and for years it was supposed to be incurable. Doctors prescribed local treatment, pronounced incurable. Catarrh is a local disease, greatly influenced by constitutional conditions and therefore requires constitutional treatment. Hall's Catarrh Medicine, manufactured by F. J. Cheney & Co., Toledo, Ohio, is a constitutional remedy, is taken internally and acts through the blood on the mucous surfaces of the system. One hundred dollars reward is offered for any case that Hall's Catarrh Medicine fails to cure. Send for circulars and testimonials.

TO ALL WOMEN WHO ARE ILL

This Woman Recommends
Lydia E. Pinkham's Vegetable Compound—Her Personal Experience.

McLean, Neb.—"I want to recommend Lydia E. Pinkham's Vegetable Compound to all women who suffer from any functional disturbance, as it has done me more good than all the doctor's medicine. Since taking it I have a fine healthy baby girl and have gained in health and strength. My husband and I both praise your medicine to all suffering women."—Mrs. JOHN KOPPELMANN, No. 1, McLean, Nebraska.

This famous root and herb remedy, Lydia E. Pinkham's Vegetable Compound, has been restoring women of America to health for more than forty years and it will well pay any woman who suffers from displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues" to give this successful remedy a trial.

For special suggestions in regard to your ailment write Lydia E. Pinkham Medicine Co., Lynn, Mass. The result of its long experience is at your service.

Discovers Ice Cream Soda.

The honor of discovering ice-cream soda is generally given to Robert M. Green, who served the delicacy to the semi-centennial celebration of Franklin institute, Philadelphia, in the summer of 1874, and advertised it at that time as something absolutely new.

It—

If I only had the money! Money, money, how hateful you are,—but oh, how I need to have you!—Elizabeth Hasanovitz, in the Atlantic.

YOU CAN MAKE YOUR SHOE BILLS LESS

From Globe, Arizona, comes this recommendation of Neolin Soles.

J. B. Medlyn sends it. He says: "I have never had my Neolin-soled shoes repaired as the soles always outwear the tops. The position I hold keeps me on my feet most of the time, and I can say that for comfort and wear Neolin is the only shoe sole."

Millions of others who have worn Neolin Soles think with Mr. Medlyn that they are the only soles for wear and comfort. Moreover, these soles cut your shoe bills down because they make your shoes last so long. They are waterproof too. Neolin Soles are made scientifically by The Goodyear Tire & Rubber Co., Akron, Ohio, who also make Wingfoot Heels—guaranteed to outwear all other heels.

Wolf, Wile & Co.

LEXINGTON, KENTUCKY

INTRODUCING THE

NEW STYLES

FOR SPRING AND SUMMER
NINETEEN NINETEEN

The Tailormade Suit

In a diversity of styles fashioned in tricotine, serge, poiret twill and gabardine, portraying the new silhouette.

The New Spring Coats

Coats of Cape and Dolman type, developed on slender, straight lines, seem to be the most favored for spring wear. The little graces and elegances of detail in the contour of the collars and shoulders, the fineness of sleeve and cuff detail, express exclusiveness of the highest order.

The New Spring Dresses

The narrow silhouette dominates the new dresses, too, and embodies them with a youthfulness that is refreshing. Cunning little pleats, puffings, draperies and the loveliest little sashes and bows adorn these new styles most becomingly.

The New Spring Skirts

Beautiful plaid and stripe wools, satin, georgette, crepe chene, Fan-ta-si silks in all colors and soft moon glo satins feature our unusually pretty line of separate skirts.

Wolf, Wile & Co.

LEXINGTON, KENTUCKY

Here's the big work, little cost tractor—the Titan

THE Titan 10-20 has been on the market for years, and has made good without reservation. 10 horsepower at the draw bar—20 horsepower at the belt.

A well-balanced tractor that is suited to all farm power work. It drives easily, affords maximum pulling power for its weight, and is suited in every way to the general run of farm work. Not too large for the small farm, yet large enough to handle a great volume of work.

Use it with an Oliver Plow—

We recommend that you use an Oliver plow with your Titan tractor because it means the best plowing under all conditions. The combined rolling coupler and jointer buries all trash and weeds at the bottom of the furrow; the stop device maintains an even depth of furrow; the plow points enter and leave the ground first, making it possible to plow clear to the ends of the field; and the trip rope control operates easily from the driver's seat on the tractor.

We have a full line of Oliver plows as well as the Titan tractor here at our salesroom.

C. S. BALL GARAGE

Quality Printing!

Absolute Satisfaction is one of the Requisites of The News Job Printing Department. A Trial Order Solicited.

RELIGIOUS.

Triangle Club supper in the church parlor; Tuesday, 7:00 p. m.—Rose Maiden rehearsal; Wednesday, 7:30 p. m.—Prayer meeting service; Friday, 7:00 p. m.—Choir rehearsal.

The Christian Endeavor Society of the Presbyterian church will meet Sunday evening at 6:30. The subject is "Envy and Covetousness," and the leader is Miss Alise Heller. The public is cordially invited.

The Christian Endeavor Society of the Christian church will meet in the church parlors Sunday night at 6:00 o'clock. Subject, "Envy and Covetousness," leader, Rev. W. E. Ellis, pastor of the church.

The regular monthly social of the Epworth League of the Paris

Methodist church will be held this (Friday) evening at 7:30 o'clock, at the home of Mr. and Mrs. Wm. Schrote, on Scott avenue. Every member is urged to attend.

The Ladies' Missionary Society of the Presbyterian church will meet in the lecture room of the church next Monday afternoon, March 17, at 2:30 o'clock.

The following is the calendar for the week for the Christian church: Sunday, 2:30 p. m.—Junior Endeavor Society, Roy Markland, leader; Sunday, 6:00 p. m.—Christian Endeavor Society, Rev. W. E. Ellis, leader; Sunday, 7:00 p. m.—Evening service; Monday, 6:00 p. m.

The following have been ordained by Rev. W. E. Ellis as deacons of the Paris Christian church: Harry Baldwin, Ed. T. Hinton, E. J. Burris, A. L. Burley, Thos. Kiser, Frank P. Lowry, J. W. Brown and Geo. W. Wyatt. The last three were re-elected to office, the term for which they were elected having expired. It will be necessary to elect two elders to fill existing vacancies. The Church Board will then comprise twenty-seven deacons and six elders.

The choir of the Christian church is planning to give a cantata, "The Rose Maiden," early in May. This is said by competent judges to be one of the most beautiful musical scores ever printed. It is full of bright lines and very pretty music. Rehearsals will begin next week. Mr. A. L. Boatright, who will have supervision and direction of the production, requests all who would like to take part in the chorus to send in their names at once, so they may be placed in time for the rehearsals.

The Junior Missionary Society of the Presbyterian church will hold a "Silver Tea" in the Sunday school room, of the new church on Monday, March 17, 1919, at 7:45 p. m. The Junior Missionary Society is educating a little boy, from the mountains, who was driven from home by his stepmother, and this social is being given to help buy his scholarship at Dr. Philip's Academy, in the mountains.

A regular St. Patrick's Birthday program has been arranged and a most enjoyable evening is guaranteed. A cordial invitation is extended to everyone. A silver offering will be taken.

ELEVENTH DISTRICT ODD FELLOWS' MEETING.

Grand Secretary R. G. Elliott, of Kentucky Odd Fellows, has announced that the district meeting for the Eleventh district, including this county, will be held in London, on March 21. Matters of interest will be presented to the meeting by the Grand Master and Grand Secretary, and the Grand Lodge Degree will be conferred on all Past Grands attending and presenting proper certificates, and London Lodge is preparing to add interesting features to the occasion. Odd Fellowship is celebrating its hundredth anniversary in April.

PARIS HIGH SCHOOL NOTES.

Miss Helen Bannister, director of athletics at the Paris High School, is perfecting plans for the first High Schools girls' basketball tournament even held in Central Kentucky. Miss Bannister is endeavoring to arrange a program of basketball events, to take place in the local Y. M. C. A. gymnasium during the week.

If Miss Bannister's plans are perfected the following High Schools will be represented in the tournament: Winchester, Maysville, Nicholasville, Versailles, Frankfort, Lawrenceburg, Georgetown, Midway, Lexington and Paris. Suitable awards, the exact nature of which has not yet been determined, will be given the winning team by the Paris High School Athletic Association.

Miss Bannister is a graduate of the New Haven, Conn., Normal School of Gymnastics, and since she became connected with the Paris High School faculty she has succeeded in stimulating considerable interest in athletics among the girl students.

In order to stimulate interest in the study of Latin, Miss Elizabeth Roff, teacher of Latin in the Paris High School, is making arrangements to have a professor of that language from each of the nearby colleges in Kentucky to give a lecture to her class once a week. The first lecture in the course was given by Dr. T. B. McCartney, Dean of Transylvania College, of Lexington. It is felt that by emphasizing the value of Latin in later life the students will take it in study in preference to vocational or scientific courses.

Prof. Lee Kirkpatrick, the efficient Superintendent of the Paris schools, has been elected president of the Kentucky Students' Association of Columbia University, in New York. Prof. Kirkpatrick will leave June 1 for New York to study during the summer, and will finish his work for the Master Degree at Columbia University.

The campaign for two thousand books to be added to the High School library is progressing very favorably, and the students who have been soliciting the books have met with great success. The children of the school are soliciting such books as one can spare from their library, and these works will be placed in the school library for use by all the students, during their spare time. The classics, books on poetry and works of that class will be greatly appreciated by the children and will prove of great value to them. Large book-cases to take care of the books contributed will be placed in the half second story of the High School building, and the students will have access to these at all times.

In order to enable the school teachers of Bourbon county to comply with an act of the Legislature requiring them to pass an examination on agriculture so as to be eligible to teach in the State after July 1, the Paris High School has arranged to give a free course in this subject beginning March 15 and lasting ten weeks.

Those who enroll in the class will meet in the Paris High School building at 8:30 o'clock Saturday mornings and the class will last for two hours. Teachers will be furnished by the college of agriculture, University of Kentucky, who will give services free of charge.

The science laboratories of the school will be open to members of the class and they will be coached on the different phases of agriculture with which they must be familiar before they can pass the examinations to be given this summer.

Seniors in the college of agriculture of the University of Kentucky will serve as teachers and as they are allowed credit towards their degree for this kind of work they do not charge for their services. From time to time members of the faculty of the college will lecture to the members of the class.

B-4 FIRE
Insured with
W.O. HINTON & SON, AGTS
BARDWELL BANK BUILDING DESTROYED BY FIRE.

The Bank of Arlington, at Bardwell, Ky., was destroyed by fire Tuesday night at 10 o'clock. A stove in the second story of the building, where a good roads meeting was held, is believed to have become overheated. The roof on the grocery store of E. H. Owen and the plate glass front of the store were broken by the falling walls of the bank building.

Fire, Wind and Lightning Insurance.
Thomas, Woodford & Bryan
EUGENE YSAYE WILL APPEAR IN LEXINGTON.

The Cincinnati Symphony Orchestra will be heard in Lexington on Tuesday, April 8, in matinee and in the evening. The Cincinnati Symphony has for its director Eugene Ysaye, one of the four world great violinists. There will be ninety musicians in the orchestra.

"Germans Wearing Old Clothes," says a headline. Lucky dogs! Where did they get them?

LIVESTOCK MEN, ATTENTION.

American Consul Hoover, at Sao Paulo, Brazil, cabled the State Department, suggesting that breeders of livestock in the United States and manufacturers connected with that industry send representatives to a livestock exposition to be opened at Sao Paulo, April 21.

From 10 A. M. to 3 P. M., SATURDAY ONLY.

EXECUTRIX QUALIFIES

In the County Court, Wednesday, Mrs. Sallie Aschcraft qualified as executrix of the estate of her late husband, Mr. Luther Aschcraft, the will dispensing with surety.

ANNOUNCEMENT.

Tom Stark and M. B. Lowman have joined their organizations and are conducting a General Advertising Agency under the firm name of Stark-Lowman Co.

Mr. Stark is President of the company, Mr. Lowman is Vice-President and General Manager and M. K. Stark is Secretary and Treasurer. Their offices are all in suite 517-520, Crutcher-Stark's Building, Louisville, Ky.

GET OUR PRICES FIRST.

Do not buy anything in the Clothing line until you get my prices.

L. WOLLSTEIN,
Clothing Department.

CROWDED OVER.

Owing to the pressure on our advertising columns we are compelled to carry over to another issue a number of soldier's letters and contributed articles bearing on subjects of general public interest. There is always a time in the life of the newspaper man when he wishes he would have less copy and more room, and then again there come a time when he wishes the reverse. It is a hard matter to arrange for the disposition of articles of this character, as advertising matter must, of course, be taken care of.

MISS WHALEY TAKES GOVERNMENTAL POSITION

Miss Nell Whaley, of Paris, who has been active in teaching circles in Paris, Midway and Lexington, and very recently a member of the faculties of Transylvania and Hamilton Colleges, in Lexington, has taken a position as reconstruction aid in the educational department of the Government hospitals. For the present she will be located at the Base Hospital at Camp Upton, at Yaphank, Long Island, N. Y. Miss Whaley left Monday to assume her new duties. The best wishes of her many Paris friends accompany her.

INSURANCE.

Fire, Tornado, Lightning, Automobile and Hail.
YERKES & PEED.

FINED FOR VIOLATING DOG LICENSE LAW.

Willis Givens and Hume Desha, were assessed fines of \$10 and costs each, by Judge Batterton, in the County Court Wednesday, on charges of failing to secure the required license and tag for their dogs.

The officers are playing no favorites and are arresting and prosecuting violators of the law, and putting the unlicensed canines out of the way whenever and wherever they are found. "No license, no dog" is the slogan. The State law makes it the imperative duty of every dog-owner to have a license and tag for his or her dog.

SOCIAL AND PERSONAL.

Comings and Goings of Our People Here, There and Elsewhere.

—Mrs. J. E. Boone, of Frankfort, is a guest of Mrs. W. R. Stipp, near this city.

—Mr. Louis Mussinson, who has been ill at his home on South Main street, is slightly improved.

—Mr. C. O. Hinton is confined to his home on Main street, suffering with an attack of rheumatism.

—Mrs. Virgil Galtskill and her three children are ill at the home of her aunt, Miss Elizabeth Grimes, on Duncan avenue.

—Mr. and Mrs. Wm. Dale and daughter, Miss Lillian Dale, have returned from a visit to relatives in Covington and Newport.

—Miss Louise Horton, who has been ill with blood poisoning following an attack of influenza, is improving at her home on Parrish avenue.

—Reports from Mr. Lee Brown, son of Mrs. Lizzie Brown, of this city, who has been ill for some weeks at the Presidio army post, in California, state that he is improving steadily.

—Mrs. James Thompson, Jr., attended the meeting of the Bridge Club, of which she is a member, held in Lexington, Tuesday afternoon, with Miss Catherine Forman as hostess.

—Mr. and Mrs. Lon Graves entertained with a six-o'clock dinner at their home on the Hume and Bedford pike, near this city recently. About forty guests were present to partake of the hospitality of the evening.

—The Lexington Opera House is drawing a good patronage from Paris and Bourbon county people this week. With attractions like "Daddy Longlegs," "Parlor, Bath and Bedroom" this house is assured of a good patronage.

—Miss Mary Allen Hutchcraft, cashier at Frank & Co.'s, is confined to her home in East Paris, with an attack of influenza. Another influenza victim is Miss Elizabeth Whitely, daughter of Mr. and Mrs. Wade H. Whitely, who is ill at the home of her parents, on Vine street.

—Miss Kate Alexander and Mrs. F. P. Lowry, of Paris, attended a meeting held at the Phoenix Hotel, in Lexington, Wednesday, of the Women's Committees of the Fifth Liberty Loan. Plans were discussed for reorganization and for promoting the work of the committees in this district.

(Other Personals on Page 3.)

FUND FOR SOLDIER MEMORIAL NEARLY FINISHED.

Before the week has ended the \$10,000 necessary to carry out the plans for the erection of a memorial to Bourbon county's soldier and sailor dead will have been raised. The committees having the work in charge report a total of about \$9,800 and pledges enough in sight and available on call to bring the amount up to \$10,000 or more.

All who have made pledges to the fund are requested to call at the Farmers & Traders Bank and pay same to Mr. John Yerkes, who is treasurer of the Memorial Fund.

THE NEWS publishes in this issue a partial list of contributors, to which a number of names remain to be added in a succeeding issue. The response has been generous, ready and willing and the chairman and officials of the movement desire that proper credit be given to each contributor. THE NEWS will publish the additional names in the next issue.

PUBLIC SALE OF COTTAGE AND VACANT LOT.

Harris & Speakes will sell at public auction on next Tuesday, March 18, for Mrs. Wm. Tarr, on the premises a new cottage on Clifton avenue, containing five rooms, two porches, bath, and all modern conveniences. The lot fronts fifty feet on Clifton avenue and extends back to Brent street. At the same time they will sell for Mrs. Tarr a vacant lot adjoining this cottage, with a fifty-foot frontage. The sale will be held at two o'clock, p. m., Tuesday afternoon, March 18. Here is a rare chance to become owner of a valuable piece of residence property, in a good neighborhood.

Girls' Basket Ball Tournament

Friday and Saturday, March 14 and 15, at Y. M. C. A.

THE FIRST GIRLS' TOURNAMENT EVER HELD IN THE STATE

There has been more interest in girls' basket ball in Kentucky this year than for many years, and many strong teams have been developed.

Some of the best teams in the State will play in the Paris Tournament Friday and Saturday.

The following schools will play: Maysville High, Winchester City High, Clark County High, Georgetown High, Paris High.

SCHEDULE OF PLAY
Friday, 3:00 p. m.
Friday, 7:30 p. m.
Saturday, 9:00 a. m.
Saturday, 3:00 p. m.
Saturday, 7:30 p. m.

Suitable awards will be given the team winning first place and the team winning second place.

Season Tickets 50 Cents
Single Admission 25 Cents

JNO. W. KELLER, FORMER PARIS MAN, DIES IN NEW YORK.

John W. Keller, chief clerk in the office of District Attorney Swann, former Charities Commissioner, and formerly for many years a prominent newspaper man, whose name was presented for Vice-President by the New York delegation at the National Democratic Convention in 1900, died from pneumonia at the New York Eye and Ear Infirmary. He had been ill for several months.

Mr. Keller was born in Paris, Bourbon county, Ky., on July 5, 1856, and his great-grandfather, Jacob Keller, was a captain in the American Revolutionary army. Mr. Keller received his early education in Kentucky and at the Hopkins Grammar School. Later he entered Yale University and was graduated in the class of 1879. In the year of his graduation he rowed in the University crew. He was instrumental in placing the Yale News on a firm foundation.

Upon his graduation, he went to New York City, where for eighteen years he worked on newspapers, first on The Times and later on The Press, from which he went to The Recorder, being managing editor during its brief career. Joining the staff of The Journal, he wrote the "Cholly Knickerbrocker" column. He was also an author and wrote several plays, as well as contributed to magazines and periodicals. One of his plays, "Tangled Lives," was acted successfully by Robert Mantell. During his early newspaper career he exposed and broke up the old Sixth avenue dives, for which he was attacked one night by thugs, and received injuries which caused the loss of the sight of one eye.

Mr. Keller took an active interest in politics in New York City as a member of Tammany Hall, and, as he was a brilliant and witty speaker, he was much in demand in its campaigns. He was a member of the Tammany Society and for several years was a Sachem. In 1900 he was a delegate to the National Democratic Convention and his name was presented by the New York delegation for the Vice-Presidency.

From 1896 to 1902 Mr. Keller was Commissioner of Public Charities in New York City, making many reforms in the department. He was for two terms president of the New York Press Club and in 1899 and 1900 was president of the National Democratic Club, succeeding Perry Belmont. He was a member of the Southern Society of New York City and of the Clover Club of Philadelphia. Mr. Keller for some time was connected with the Equitable Life Assurance Society and was appointed chief clerk of the district attorney's office on Jan. 1, 1916. He lived at 20 East Thirty-first street.

MOTOR TRUCK MAIL SERVICE DISCONTINUED.

The motor truck mail service established as an experiment some time ago between Paris, Cynthiana and Painsville has been discontinued. The inspectors who watched the experiment submitted a report to the effect that the service had been very little patronized and that it was a needless expense. In which the general public concurred.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them. Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

CARDINAL GIBBONS ASKS SUPPORT FOR W. S. S. WORK

Cardinal Gibbons has issued a call to his fellow countrymen to give the heartiest support to the Government's campaign to promote the sale of War Savings Stamps. The appeal of Cardinal Gibbons reads as follows:

"By continuing the sale of War of War Savings Stamps. The Government has offered to every man, woman and child an opportunity for the display of practical peace time citizenship by becoming an investor in the securities of his country. It also offers to each an opportunity for self-improvement by giving a chance to save small amounts regularly and systematically and to investigate them wisely.

"In the hard school of war we have learned much that should be of value to us and to our country in the days of readjustment. We have learned the necessity of saving. Indeed it was saving that brought us the victory—the willingness of the people to save money, to save coal, to save food. The man, woman or child who has learned to spend wisely and look forward to the future, and to lay only helping himself, but is becoming a better and more useful citizen.

"We should welcome the opportunity afforded by our Government to continue the saving habit. To buy War Savings Stamps is the clear duty of every American citizen, young and old.

"I urge all our clergy to promote this campaign by every means in their power. I urge the good people to give their heartiest support and from the splendid evidences of their patriotism shown in the last two years, I am confident that it will meet with great success.

"I shall follow with profound interest the result of this movement, for much of the future of our blessed country will depend upon the outcome.

"J. CARDINAL GIBBONS."

WORKED YEARS ON ITS FORMULA

Chemist Made Meritone Medicine
of Merit—Contains Sixteen Ingredients

The wonderful merit of Meritone as a medicine for the ills of the human system is due to the years of a trained chemist spent on Meritone's formula.

This trained chemist would not release Meritone for sale to the general public until he felt satisfied in his own mind that it was a medicine for the stomach, liver or kidneys, catarrh, rheumatism, nervousness, lack of appetite and the like, without a superior anywhere.

The expert knowledge this man had of vegetable medicinal ingredients probably is one of the big reasons why Meritone is such an unusual medicine. After much experimenting he selected sixteen such vegetable medicinal ingredients and blended them into the one highly beneficial medicine, Meritone.

Because of its real merit, the success Meritone has gained is not surprising. It was confidently expected. Thousands of men and women in many different States praise Meritone highly because relief it has given them and hold it as the medicine of their choice is cases of system ills.

Meritone is sold exclusively in Paris by G. S. Varden & Son.

Dietetic Habits.

Some people seem to think that a vegetarian is a curiosity. A rough calculation shows that the population of the world, now estimated approximately at 1,600,000,000, is said to be divided as to dietetic habits about as follows: Strict vegetarians, 250,000,000; practically vegetarians, but eating a little fish or flesh, 450,000,000; eating meat about once a week (on high days and holidays), 500,000,000; eating meat daily and sometimes more than once a day, 400,000,000.

FORGOT WHAT HE NEEDED.

From the Republican, Mt. Gilead, Ohio: "The editor had an interesting experience some time ago, when a young gentleman came to this office and asked for a copy of the Morrow County Republican. He scrutinized it carefully when a copy was handed him, and then said: 'Now I know! What is it you are looking for,' we inquired. 'My wife sent me after a bottle of Chamberlain's Cough Remedy, and I forgot the name. I went to several stores and the clerks named over everything in the line on the shelf except 'Chamberlain's.' I'll try again, and I'll never go home without Chamberlain's Cough Remedy.' The Republican would suggest to the proprietors of stores, that they post their clerks, and never let them substitute. Customers lose faith in stores where substituting is permitted, to say nothing of the injustice to makers of good goods and the disappointment of customers.

(adv) mar

Method.

"How did you get the reputation of being so wise?" "I talk with a man till I discover something he doesn't know anything about. Then I pretend to explain it to him."—Washington Star.

FOR A BAD COLD.

Take Chamberlain's Cough Remedy. It has stood the test of time and can be depended upon.

EACH WEEK PROVES VALUE OF NEWS TO ADVERTISERS.

The papers all through Central Kentucky for the past few weeks have been brimful of sale advertisements, and it looked for a while as if the whole world of farmers had made up their minds to leave off tilling the soil, or at least they seemed to be seeking new locations. And all this required the selection of a good advertising medium.

Every week's issue has proved the efficacy of THE NEWS as an advertising medium. All the people read THE NEWS—every member of the family reads THE NEWS—and everybody knows what a valuable territory it has covered in disseminating the news and advertising in the past. Advertisements in THE NEWS have brought the advertisers substantial results. Then, too, everybody knows that THE NEWS has a modern, up-to-date, well-equipped job printing plant, under the supervision of men who know every phase of the business.

Advertisers have sought the columns of THE NEWS because they knew they would get results. They have told us so, and therefore, there is no harm in "blowing our own horn" just a little bit. In the future those who have unsuccessfully tried other means of publicity would do well to come to THE NEWS. It pays to advertise—and especially so in THE NEWS.

SMOKING TOBACCO FACTS FROM THE ENCYCLOPAEDIA

The Use of Flavorings Determines Difference in Brands

The Encyclopaedia Britannica says about the manufacture of smoking tobacco: "...on the Continent and in America, certain 'sauces' are employed...the use of the 'sauces' is to improve the flavour and burning qualities of the leaves." Which indicates that a smoker's enjoyment depends as much upon the flavoring used as upon the tobacco.

Your nose is a sure guide in the matter of flavorings. Try this simple test with several tobacco brands: pour some tobacco into your palm, rub briskly, and smell. You will notice a distinct difference in the fragrance of every brand. The tobacco that smells best to you will smoke best in your pipe, you can rest assured.

Carefully aged, old Burley tobacco, plus a dash of pure chocolate, gives TUXEDO Tobacco a pure fragrance your nose can quickly distinguish from any other tobacco. Try it and see.

There has been no raise in price of INSTANT POSTUM

This economical table beverage continues to be the logical resort of the coffee-drinker when health or other reasons dictate a change.

NOT A BIT OF WASTE

A MAN AND HIS WIFE

may both derive satisfaction by having their worn and soiled garments cleaned by us. The cost is nominal, while the pleasure of wearing old clothes that have the appearance of new, in conjunction with the knowledge that you are effecting a great thing, must surely satisfy you. A phone brings us.

MILLERSBURG

—Mr. T. H. Thompson is able to be out again.

—Mr. D. M. Hurst, of Winchester, was here on business Monday.

—The C. W. B. M. met Wednesday afternoon at the home of Mrs. J. H. Stewart.

—Mrs. Monroe Leer and Miss Martha Smith were guests of honor at a dining given Tuesday by Mrs. C. B. Smith.

—Mr. and Mrs. Bayles DeBell arrived Monday and are with their daughter, Mrs. R. M. Caldwell. Mr. DeBell has accepted work for the present with Mr. E. T. Sheeler.

—Dr. Plummer, veterinary surgeon, is confined to his home suffering from a wound on his hand, which became infected while treating a mule which was suffering from lock-jaw.

—Miss Ethel Fisher left Tuesday for New York, and will sail on March 22 for France, where she goes as an entertainer for the Y. M. C. A. Miss Fisher is indeed accomplished and will make good.

—Mr. Allen Markland, son of Mr. and Mrs. John Markland, has enlisted in the United States Navy. He has been assigned to the training camp at the Great Lakes Training Station, near Chicago.

—Richard White, a well-known colored citizen and merchant of the town, died here yesterday. He was one of the old landmarks of Millersburg, and was well known by all who have resided here in the past thirty years.

—Mrs. G. W. Mathers, aged about seventy, died Monday at 3:30 p. m., after a lingering illness, of a complication of diseases. She had been in failing health for the past two years, and for some time the family and friends had realized that her case was hopeless. All was done for her that medical aid could do, she having been under the care at times of specialists, and spending a good part of the time in hospitals. Her condition, however, was not thought to be immediately critical. Sunday morning about ten o'clock, she was out in the yard. Sunday afternoon she grew worse, and continued so until the end. She was formerly Miss Nannie Orr, a native of Nicholas county, her entire life having been spent near the home of her birth. When a young woman she was united in marriage to Dr. Chas. W. Mathers, and resided for a time in the home of her birth near Headquarters. Later Dr. Mathers purchased the farm of Mr. J. K. Judy, where they have since resided. She was one of a family of three, one brother, and one sister, Mrs. W. M. Layson, having preceded her to the grave. She was a devout member of the Presbyterian church, and a liberal contributor to all its causes. Until the last two years her church life

was active. The interment took place Wednesday at 10:30 a. m., after a short service at the grave by her pastor, Rev. W. W. Morton.

Besides her husband, Mrs. Mathers is survived by two nieces, Mrs. Joe Penn Redmon and Mrs. James Caldwell, and one nephew, Charles Layson, all of Bourbon county. The pall-bearers at the funeral were Jno. McDaniel, Wm. Ross, Charles Martin, Oscar M. Johnson, James Butler and David Clarke. Among those from out-of-town in attendance at the funeral and burial were: W. J. Kennedy, Harry Kennedy, Will Ross, Dr. George Spencer, Mr. and Mrs. Young, Mrs. Edith Young, and Mrs. Byrd Hillock, of Carlisle; Dr. Harry Mathers, Mrs. Napier, Mr. and Mrs. Henry Judy and Mr. and Mrs. James Caldwell, of Paris.

DEATHS.

CLOUGH

—Agnes Lee Clough, six-months-old daughter of Wm. and Drusie Hudson Clough, died Tuesday morning at eleven o'clock at the home of her parents, in East Paris, after a short illness. The funeral was held Wednesday afternoon at two o'clock, with services conducted at the grave by Rev. G. R. Combs, pastor of the Paris Methodist church.

MATHERS.

—The funeral of Mrs. C. W. Mathers, aged about seventy-one, wife of Dr. C. W. Mathers, who died at the family home near Millersburg, Monday, was held Wednesday morning at ten o'clock at the residence, with services conducted by Rev. W. W. Morton. The interment followed in the Millersburg Cemetery.

Mrs. Mathers had been in declining health for some time, and on last Sunday morning was stricken with paralysis, from the effects of which she was unable to rally, never regaining consciousness. She was the daughter of Mr. and Mrs. Orr, of Nicholas county, and the last surviving member of her family. She was born in the same home in which she died near Millersburg. She was married to Dr. Mathers in October, 1879. In early life she united with the Presbyterian church, of which she had since been a faithful and devout member. She is survived by her husband.

COOK.

—Mr. Wm. A. Cook, an old and well-known citizen of Cynthiana, known favorably to most of the older residents of Paris, died recently at his winter home at Punta Gorda, Florida, where he had been spending the cold months each year for a long time. The body was brought to Cynthiana, where the funeral was held yesterday afternoon at the Presbyterian church at two o'clock, with

services conducted by Rev. Carey F. Moore. The interment followed in Battle Grove Cemetery.

Mr. Cook was for many years engaged in the distilling business and later went to farming. Returning to Cynthiana, he became interested in the hardware business under the firm name of Cook & Ingels. He sold out his interest to his partner, Mr. W. H. Ingels, and spent most of his time again in farming. He was married three times, his first wife being Miss Annie Farrell, of Covington. By this union they had two sons, Will and Albert, both of whom were students at one time in the old Paris Public School, Mr. and Mrs. Cook residing here at that time. Mr. Cook's second wife was Mrs. Fannie Day. His third wife was Mrs. Georgia Reid, of Harrison county, who survives, also one sister, Mrs. Annie Wilson, of Lexington.

MATRIMONIAL.

—Marriage licenses were issued Wednesday from the office of County Clerk Pearce Paton to Fred D. Bennett and Rose B. Adams, and Reynold Buckler and Della Parker. The latter couple were married at the residence of the officiating minister, Rev. R. C. Goldsmith, at Ninth and High streets.

MORELAND—MARTIN

—Mr. Charles O. Martin and Miss Annie Moreland, both of Paris, went to Cincinnati, Wednesday, where they secured marriage license, and were married. The groom is a son of Mr. and Mrs. Carter N. Martin, of Paris, and is associated with his father in the management of the Pastime billiard and pool room, on Main street, between Eighth and Ninth streets. The bride is the daughter of Mr. Leonard Moreland, residing on Second street. Mr. and Mrs. Martin, after a short honeymoon trip, will return to Paris to reside.

FERGUSON—McKINLEY

—An announcement of more than local interest was made yesterday when news was given out of the engagement of Miss Martha Hume Ferguson, daughter of Mr. and Mrs. Volney Ferguson, of near Paris, to Dr. Charles Miles McKinley, of the United States Army Medical Corps. The wedding will take place in the early spring.

MUNSON AND WIFE REFUSE TO TESTIFY AT TRIAL.

Acting on the advice of their attorney, Frank Munson and his wife, Mrs. Hannah Munson, declined to testify at the inquest and also at the preliminary trial in the case of Chas. Foley, who was killed last Sunday at 721 Millwood avenue, in Cincinnati, when Munson found him with Mrs. Munson at a boarding house. Munson was released on \$2,000 bond, and expects to return to his six small children at Hutchison, with his wife, pending the hearing of the murder charge against him.

Foley was arrested in this city some months ago by Chief of Police Link and Patrolman Lusk on a charge of evading the selective draft laws. When searched a registration card was found in his possession, which upon investigation, was found to be a fraudulent one. He was given a hearing in the court, but was released, as a conviction could not be obtained. He returned to Hutchison, where he had remained since.

Foley's body was buried by the city of Cincinnati in the "potter's field" Wednesday. Relatives of Foley were unable to provide means of giving the body interment, Coroner Bauer was notified.

In the West Indas the large plam-tree caterpillar is considered a great food luxury.

The economic loss from rats in the United States is estimated at \$200,000,000 a year.

ANNA CHANDLER GOFF, Local Manager

LEXINGTON COLLEGE OF MUSIC

WE'VE HAD IT!

The Carlisle Mercury says:

"Lethargic Encephalata, or the sleeping sickness, is abroad in the land. We've had it, the disease attacking us in most aggravated form at about the age of fourteen. Even yet, early in the morning, when the bed is powerfully warm and the room is powerfully cold, we have

returns of 'Lethargic Encephalata.' The name has a more pleasing and euphonious sound than the one our parental ancestors was wont to use some score of years ago when referring to the disease."

FRUIT PROSPECTS GOOD.

Bourbon county farmers say prospects for a good fruit yield continue

good. While the winter has been a mild one, yet there has not been enough warm weather to swell the buds and render them too tender to stand the March freezes.

Those who want good fruit should either get a spraying outfit of their own or arrange with a reliable man to spray their trees at the proper time.
